College of DuPage Mission

The Mission of College of DuPage is to be at the forefront of higher education, serving the needs of the community. The college will be the first place residents turn to for the highest quality education and cultural opportunities. The college will serve as a model of distinction for community college education.

To achieve this Mission, the college will:

- Recognize, develop, and support excellence in both learning and teaching.
- Foster an instructional and organizational climate that welcomes innovation, is open to change, and targets continual improvement and accountability.
- Maintain a comprehensive, dynamic curriculum, a varied educational delivery system, and a strong outreach effort ensuring that diverse learning needs are recognized and met.
- Offer programs and services that are flexible and accessible.
- Motivate and prepare students to qualify for and succeed in further educational endeavors.
- Promote critical and creative thinking and academic honesty.
- Provide relevant and thorough career education that prepares students to prosper in the world of work.
- Respond to the lifelong learning needs of residents and business.
- Support the personal and academic success of students through comprehensive student support services.
- Offer programs that educate students for responsible citizenship, civility, and mutual respect in a multicultural and global society.
- Prepare students to live and work successfully in an international environment.
- Broaden learning opportunities for our community by creating alliances within and beyond the college district.
- Serve as a center for the cultural and intellectual enrichment of our community.
- Model and promote environmental stewardship.
- Exercise integrity and responsibility in fiscal matters.
- Advance a college organization that learns continuously through team effort and draws upon everyone's talents, work, and creativity.

Commitment to the Future

College of DuPage will meet the challenges of a dynamic community and maintain standards of excellence by continually examining and, where appropriate adopting new technologies, learning theory, and teaching methods. The college will respond to the needs of its community by providing quality education, training, information, and cultural opportunities. College of DuPage will continue to be an innovative institution that provides a powerful learning environment for all.

College of DuPage Philosophy

- **College of DuPage believes in the power of teaching and learning.**

- We endorse the right of each person to access opportunities to learn and affirm the innate value of the pursuit of knowledge and its application to life. Our primary commitment is to facilitate and support student success in learning.

- **College of DuPage is committed to excellence.**

- We seek quality in all that we do and believe that the people we serve also must perceive value in our programs and service. To ensure quality, we are committed to continual assessment and self-evaluation.

- **College of DuPage values diversity.**

- We seek to reflect and meet the educational needs of the residents of our large, multicultural district. We recognize the importance of embracing individual differences and cultures and value the contributions made to the college by people of all ethnic and cultural backgrounds. We affirm our role as a catalyst for promoting dialogue and tolerance on issues supporting the common good.

- **College of DuPage seeks to remove barriers to educational opportunity.**

- We place a high priority on providing accessible, affordable courses, and services.

- **College of DuPage promotes full participation in planning and decision making.**

- We support participatory governance and the involvement of the college community in the development of a shared vision. We believe that all students, staff, and residents can make meaningful contributions within a respectful, equitable, and responsive environment. We strive to build an organizational climate in which freedom of expression is defended and civility is affirmed.

- **College of DuPage values service to students and community.**

- The needs of our students and community are central to all we do.

Enduring Purposes

College of Dupage is guided by seven Enduring Purposes. These Enduring Purposes reflect major areas of focus for college activities and provide critical parameters within which the college aligns its efforts.

- **Basic Education**
- **Cultural Opportunities**
